

# MEDIA GUIDE

Greater Manchester Chamber of Commerce

54 Hanover Street Manchester, NH 03101 P 603.792.4119 f 603.626.0910 [www.manchester-chamber.org](http://www.manchester-chamber.org)

## WELCOME TO MANCHESTER

Greater Manchester is an extraordinary region that is richly diverse and complex. Traveling along the banks of the Merrimack River, one sees a unique blending of history with current economic development. As a member of the media, I want to welcome you to our great city and want you to know that the Greater Manchester Chamber of Commerce (GMCC) is the premier business advocacy organization in the State of New Hampshire.

Incorporated in 1911, the GMCC is the largest business organization in the greater Manchester area. We provide businesses with marketing opportunities, economic indicators, listings in the area's only business directory, legislative bulletins, representation in both local and state government, and so much more. Our office and website make thousands of referrals each year by providing potential customers and clients with information about local businesses.

Whether you are here for a day, a week or a month, let us help you get acquainted with the city and the region. We can provide listings of hotels, restaurants and things to do in your downtime.

Additionally, we can connect you with company presidents and CEOs of both small and large businesses. We can provide you with experts and speakers as sources for your stories and location recommendations for photos, B-roll and live-shots.

If you have any questions about the region please contact us. We are working hard everyday to support the progress of this already extraordinary community.

*Mike Skelton  
President & CEO  
Greater Manchester  
Chamber of Commerce*

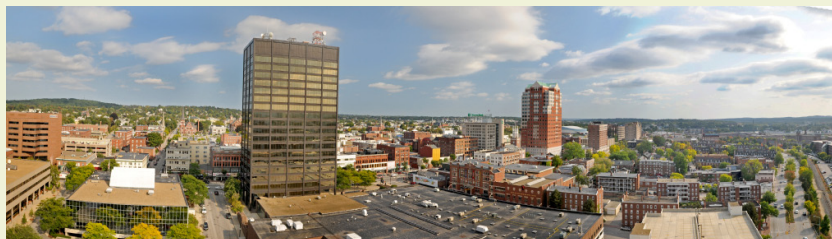

## ABOUT MANCHESTER "THE QUEEN CITY"

Manchester is the historic site of the world's largest cotton textile mill, the Amoskeag Mills. A century ago, the famous mills employed 15,000 people, produced up to 600 miles of cotton cloth a day, and exported to nations worldwide.

Today, this ever-changing and growing city has a population of more than 110,000 and its dominant industries are technology and manufacturing, many of which are located in the

renovated mills along the Merrimack River. Manchester is easily accessible by car, plane and bus. Affordable housing, low taxes, great restaurants, excellent colleges, a growing arts and culture community along with talented sports teams, has transformed Manchester as "The" place to live in New England.

Manchester boasts the largest civic arena in the state, the 10,000 seat Verizon Wireless Arena. The arena hosts concerts and trade shows, and is home to the Manchester Monarchs hockey team, the ECHL affiliate of the Los Angeles Kings.

New Hampshire offers tax-free shopping, and more than 60 businesses are located downtown for shopping and over 700 services are provided downtown. Downtown also is home to more than 70 restaurants and almost 25 nightclubs/bars.

# LOCATIONS FOR LIVE SHOTS, INTERVIEWS AND B-ROLL

## Downtown Manchester

Along Elm Street there are businesses, restaurants and shops where people work, eat and shop each day. This is an ideal location to capture B-roll as well as to capture interviews.

Sheehan Phinney Bass & Green PA – the 17th floor of Brady Sullivan Plaza on Elm Street offers spectacular views of the City and its skyline. Great for a bird's-eye view. Please contact Ashley Pelletier at 603-668-0300 or [apelletier@sheehan.com](mailto:apelletier@sheehan.com) to schedule your visit.

Center of NH – Radisson Hotel offering another scenic overlook, the hotel will provide press access to a large deck that looks out over the City and its skyline. Please contact Shawn Monahan at

603.206.4215 to determine availability and schedule shooting time.

## Manchester Restaurants

The Red Arrow Diner – at 61 Lowell Street, off of Elm Street, in downtown ([www.redarrowdiner.com](http://www.redarrowdiner.com) – check out their “Diner and Politics” link – the diner is another “must-visit” for candidates).

Additionally, Elm Street and many of the side streets downtown are filled with restaurants and cafes.

## General Locations

Members of the press are permitted to film at the polling locations (there are 12 throughout the City). It's important that members of the press receive permission from the Moderators at each

location so that they may film the process and seek interviews.

Ste. Marie's Church is on Manchester's West Side. Cross the Bridge Street Bridge and go through the two sets of lights. Ste. Marie's is on your left, atop a large hill. It's a beautiful representation of the French-Canadian history of Manchester's West Side.

The Queen City Bridge offers a great riverside shot of Manchester. The bridge connects Elm Street with the West Side's Second Street.

Manchester's Millyard offers a beautiful scene and a glimpse into Manchester's birth as a mill town. The Millyard has been refurbished and encompasses Canal and Commercial Streets. The Millyard Museum currently

has a NH Primary Exhibit, on display.

Hanover Street, off of Chestnut and Elm streets, is a beautiful street. Stand outside of the Palace Theatre for a beautiful shot of a tree-lined, lighted street facing City Hall.

## Concord Our State Capital

Concord is about 25 minutes north of Manchester (take 93 North to Exit 14, then take a left off the exit into downtown Concord) and another political hub. The State House is on Main Street in downtown Concord and would offer ideal B-roll.

For a list of locations and links to directions and detailed maps to and of the polling locations.

## Guidelines for filming at, reporting from and interviewing at the polling locations

*The ultimate guideline: The press cannot interrupt the voting process. This is a broad rule that will be interpreted and enforced by the Moderator within each ward's polling location. It is strongly advised that journalists speak with the Moderator at each specific location for permission to film and seek interviews. Per permission of the Moderator, journalists may film B-roll within the polling location (shots of the ballots, voting booths, etc.) and outside of the polling locations and interview voters. In terms of interviewing, please do not pressure or press individuals who decline the interview request; please be respectful of the voters and voting process. Press may park near the location; though not in the parking spots reserved for voters.*

# NEW HAMPSHIRE FACTS

New Hampshire was the 9th state in the United States of America; it became a state on June 21, 1788.

**State Nickname:**  
Granite State

**State Motto:**  
"Live Free or Die"

**State Song:**  
"Old New Hampshire"

**State Bird:**  
Purple Finch

**State Animal:**  
White-tailed Deer

**State Insect:**  
Ladybug

**State Butterfly:**  
Karner Blue Butterfly

**State Salt Water Game Fish:**  
Striped Bass

**State Fresh Water Game Fish:**  
Brook Trout

**State Fruit:** Pumpkin

**State Flower:** Purple Lilac

**State Abbreviation:** NH

**State Capital:** Concord

**Largest City:**  
Manchester

**Area:**  
9,351 square miles  
[New Hampshire is the 46th largest state in the USA]

**Population:**  
1.327 million (as of 2014)  
[New Hampshire is the 42nd most populous state in the USA]

**Name for Residents:**  
New Hampshirites

**Major Industries:**  
textiles, lumber, tourism, electronic equipment, software

**Presidential Birthplace:**  
Franklin Pierce was born in Hillsborough (now Hillsboro) on November 23, 1804 (he was the 14th US President, serving from 1853 to 1857).

**Major Rivers:**  
Androscoggin River, Connecticut River, Merrimack River

**Major Lake:**  
Lake Winnepesaukee

**Highest Point:**  
Mt. Washington - 6,288 feet (1,917 m) above sea level

**Bordering States:**  
Maine, Massachusetts and Vermont

**Bordering Country:**  
Canada

**Bordering Body of Water:**  
Atlantic Ocean

**Origin of the Name New Hampshire:**  
New Hampshire was named for Hampshire, England, by Captain John Mason.

The official state flag of New Hampshire was adopted in 1909 (but its design has been in use since 1784). The flag pictures the state seal on a deep blue field (background). The state seal has the ship "Raleigh" sailing near a large gray granite rock, in front of a yellow sun rising over blue water. The Raleigh was built to fight the British during the Revolutionary War. The scene is surrounded by the words, "SEAL OF THE STATE OF NEW HAMPSHIRE 1776," and yellow laurel leaves interspersed with nine yellow stars (since New Hampshire was the ninth state in the US). New Hampshire became a state in 1788.

## EDUCATION IN MANCHESTER

The City of Manchester, NH educates more than 17,000 students in its 23 public schools. There is 1 preschool, 14 elementary schools, 4 middle schools, and 4 high schools, including a regional high school which offers technology training. Students from preschools through middle school are all residents of Manchester. The City's high schools draw students from Manchester, Hooksett, Candia, Bedford, and Auburn. Manchester students come from 40 countries and speak 76 languages and dialects. In addition, there are several private schools, many with religious affiliations.

The school district is administered by a superintendent of schools who reports to the Board

of School Committee, 14 individuals chaired by the Mayor who review the school district budget and oversee management of the district. The City Aldermanic Board has final authority over the budget process.

For access to Manchester's high schools, junior high schools and elementary schools, contact the School and Community Relations Manager for the Manchester School District, who will be happy to coordinate your visit:

# CITY OF MANCHESTER QUICK FACTS

## Local Taxes

Manchester's local property tax rate is \$22.67 per thousand of assessed value (Town Tax: \$11.22, Local Education Tax: \$7.77, State Education Tax: \$2.48, County Tax: \$1.20).

## State Taxes

New Hampshire is the only state in the continental United States which has neither an earned income tax nor a general sales tax. There are likewise no taxes on inventory, industrial machinery, personal property, or intangibles.

## Population

The population of the City of Manchester is approximately 110,000. According to the U.S. Census Bureau, the population of the City of Manchester in 2014 was 110,448.

## Location

Tucked in the center of New England, Manchester offers access to New York City, Boston, Philadelphia, Canada and the West Coast.

## Government

The City of Manchester is governed by a Mayor and 14 Aldermen who approve the municipal budget, raise and appropriate money, enact and amend ordinances, nominate and elect most city officials and commissions. The Finance Committee of the Board of Mayor and Aldermen has general supervision and control over the expenditure of all money appropriated by the city.

## Bond Rating

Manchester's bond ratings are strong, having been rated AA by Standard and Poors. The city also received an Aa3 rating by Moody's, which emphasized the city's strong fiscal management.

## Airport

The Manchester-Boston Regional Airport offers convenient and affordable access in and out of Manchester. Whether you're traveling to the West Coast for a business meeting, catching a connecting flight to Europe or jetting to New York City for the day, Manchester's airport provides you with the access you need.

## Unemployment

According to the NH Economic and Labor Market Information Bureau (<http://www.nhes.state.nh.us/elmi/>) the current unemployment rate (December 2015) is 3.2%.

## Education

Manchester boasts 11 area colleges and universities as well as numerous vocation programs. A local school system includes 22 schools, along with technology and vocational training.

## Healthcare

In Manchester, healthy living is a focus, as evidenced by the superb healthcare institutions providing cutting-edge service from within the city limits.

## Housing

A fresh stock of condominiums, upscale and affordable apartments and lots of family homes round out the housing market.

## Utilities

Telephone and telecommunications services in Manchester are provided by FairPoint Communications ([www.fairpoint.com](http://www.fairpoint.com)) and residential cable services by Comcast ([www.comcast.com](http://www.comcast.com)). Numerous Internet communications firms connect Manchester businesses to the World Wide Web. Natural gas service is available in most parts of Manchester. Eversource, ([www.eversource.com](http://www.eversource.com)) provides reliable electrical service to Manchester. Manchester's water supply is city-owned and controlled, drawn from a surface watershed with an estimated safe yield of 20 million gallons/day. The City of Manchester has over 300 miles of public sewer and a modern 34-million gallons/day secondary treatment plant.

## Climate & Environment

The Merrimack River bisects the city. The elevation of the city's lowest point is 110 feet above sea level and the highest point is 570 feet. The surrounding countryside is largely rural and wooded, with numerous large and small bodies of water. Average daily temperatures range from 14.8 degrees Fahrenheit in January to 70.0 degrees Fahrenheit in July with an annual average of 47 degrees. Rainfall varies from an average of 2.66 inches in February to 3.62 inches in July with an

annual monthly average of 3.28 inches. Annual snowfall averages 60.6 inches (60 year mean total). Average year-round humidity is moderate. Manchester's environmental quality is excellent for business and recreational activities throughout the year. The city's water supply is of consistently high quality for both industrial and domestic purposes. There are no significant pollution or smog problems, nor are there any recorded hazardous waste disposal sites in the area.
